

HITS RIGHT NOTE

In reference to an article which appeared a few weeks ago I thought I'd give you a follow-up on what happened. I know not many parents would be interested in this but whether Union knows it or not we have quite a hot singing group right in our own back yards.

I'm referring to the Institution and to the article entitled "A Sound Institution" (July 18, 1968). I can't say for sure how many attended the dance but I know the publicity given to them through the Union Leader helped quite a lot because I for one knew nothing of the dance until I read about it through this paper. It was a success and anyone who didn't attend missed out on one of the best run dances I've seen in a long time. The Institution got permission to extend the dance to 11:30 and when we left

there were still at least 20 to 30 kids around.

Richard Lester, Marvin Coopersmith, Howard Duff, Pat Moast, Jeanette Greenwald and Jean La Mond need just a small chance and believe me they'll make it to the top - they are really good. I'd like to add Jean La Mond's drumming really makes the group. It was quite a hot night and Kenilworth's VFW is not air-conditioned and believe me these boys worked up quite a sweat - I'd like to let them know it was worth it those of us that attended really enjoyed ourselves.
